4 **§ 504. Direct purchase of printing, binding, and blank-book work**

22 paper or envelopes specified. The Committee may not consider a pro-

36 lopes which do not conform to it in every particular. A lot of delivered
37 paper or envelopes which does not conform to the standard of quality
38 may be accepted by the Committee at a discount that in its opinion is
39 sufficient to protect the interests of the Government.

1 **§ 514. Determination of quality of paper**

22 shall report every default, with a full statement of all the facts in the
23 case, to the General Counsel for the Department of the Treasury, who
24 shall prosecute the defaulting contractor and his sureties upon their
25 bond in the district court of the United States in the district in which
26 the defaulting contractor resides.

27 **§ 517. Purchase of paper in open market**

28 The Joint Committee on Printing may authorize the Public Printer
29 to purchase paper in open market when they consider the quantity
30 required so small or the want so immediate as not to justify advertise-

30 form, may do so by notifying the Superintendent of Documents to
31 that effect prior to the convening of each Congress.

32 (d) The usual number of reports on private bills, concurrent or

11 and House libraries, nor abridge the right of the Vice President,
12 Senators, Representatives, Resident Commissioner, Secretary of the
13 Senate, and Clerk of the House to have bound in half morocco, or

26 of \$1,200 by simple resolution; if the cost exceeds that sum, the print-
27 ing shall be ordered by concurrent resolution, unless the resolution is
28 self-appropriating, when it shall be by joint resolution. Resolutions,
29 when presented to either House, shall be referred to the Committee on
30 House Administration of the House of Representatives or the Com-
31 mittee on Rules and Administration of the Senate, who, in making
32 their report, shall give the probable cost of the proposed printing
33 upon the estimate of the Public Printer; and extra copies may not
34 be printed before the committee has reported. The printing of addi-

32 **§ 724. Memorial addresses: illustrations**

33 The illustrations to accompany bound copies of memorial addresses

14 committee from which the report emanates.

15 **§ 728. United States Statutes at Large: distribution**

5 bership of that House, including the Secretary and Sergeant at Arms
6 of the Senate and Clerk, Sergeant at Arms, and Doorkeeper of the
7 House, which is contained in the round numbers thus accredited to
8 that House, so that the number delivered divides evenly and without
9 remainder among the Members of the House to which they are de-
10 livered; and the remainder of the documents thus resulting shall be
11 turned over to the Superintendent of Documents, to be distributed by
12 him, first, to public and school libraries for the purpose of completing
13 broken sets; second, to public and school libraries that have not been

20 The Public Printer may also, at the request of a Member or Resident
21 Commissioner, print on envelopes authorized to be furnished, the name
22 of the Member or Resident Commissioner, and State or Common-

34 Office, the document was made available for public inspection. Dis-
35 tribution shall be made by delivery or by deposit at a post office at a

39 eral Register established by section 1506 of this title without reference

1 to the restrictions placed upon and fixed for the sale of Government
2 publications by sections 1705 and 1708 of this title.

3 **§ 1505. Documents to be published in Federal Register**

4 (a) PROCLAMATIONS AND EXECUTIVE ORDERS; DOCUMENTS HAVING
5 GENERAL APPLICABILITY AND LEGAL EFFECT; DOCUMENTS REQUIRED
6 TO BE PUBLISHED BY CONGRESS. There shall be published in the
7 Federal Register—

8 (1) Presidential proclamations and Executive orders, except
9 those not having general applicability and legal effect or effective
10 only against Federal agencies or persons in their capacity as of-
11 ficers, agents, or employees thereof;

12 (2) documents or classes of documents that the President may
13 determine from time to time have general applicability and legal
14 effect; and

15 (3) documents or classes of documents that may be required so
16 to be published by Act of Congress.

17 For the purposes of this chapter every document or order which
18 prescribes a penalty has general applicability and legal effect.

19 (b) DOCUMENTS AUTHORIZED TO BE PUBLISHED BY REGULATIONS;
20 COMMENTS AND NEWS ITEMS EXCLUDED. In addition to the foregoing
21 there shall also be published in the Federal Register other documents
22 or classes of documents authorized to be published by regulations pre-
23 scribed under this chapter with the approval of the President, but
24 comments or news items of any character may not be published in the
25 Federal Register.

26 (c) SUSPENSION OF REQUIREMENTS FOR FILING OF DOCUMENTS; AL-
27 TERNATE SYSTEMS FOR PROMULGATING, FILING, OR PUBLISHING DOCU-
28 MENTS; PRESERVATION OF ORIGINALS. In the event of an attack or
29 threatened attack upon the continental United States and a determi-
30 nation by the President that as a result of an attack or threatened
31 attack—

32 (1) publication of the Federal Register or filing of documents
33 with the Office of the Federal Register is impracticable, or

34 (2) under existing conditions publication in the Federal Reg-
35 ister would not serve to give appropriate notice to the public of
36 the contents of documents, the President may, without regard
37 to any other provision of law, suspend all or part of the require-
38 ments of law or regulation for filing with the Office or publi-
39 cation in the Federal Register of documents or classes of docu-
40 ments.

1 The suspensions shall remain in effect until revoked by the Presi-
2 dent, or by concurrent resolution of the Congress. The President
3 shall establish alternate systems for promulgating, filing, or publish-
4 ing documents or classes of documents affected by such suspen-
5 sions, including requirements relating to their effectiveness or validity,
6 that may be considered under the then existing circumstances
7 practicable to provide public notice of the issuance and of the contents
8 of the documents. The alternate systems may, without limitation, pro-
9 vide for the use of regional or specialized publications or depositories
10 for documents, or of the press, the radio, or similar mediums of gen-
11 eral communication. Compliance with alternate systems of filing or
12 publication shall have the same effect as filing with the Office or pub-
13 lication in the Federal Register under this chapter or other law or
14 regulation. With respect to documents promulgated under alternate
15 systems, each agency shall preserve the original and two duplicate
16 originals or two certified copies for filing with the Office when the
17 President determines that it is practicable.

18 **§ 1506. Administrative Committee of the Federal Register; estab-**
19 **lishment and composition; powers and duties**

20 The Administrative Committee of the Federal Register shall con-
21 sist of the Archivist of the United States or Acting Archivist, who
22 shall be chairman, an officer of the Department of Justice designated
23 by the Attorney General, and the Public Printer or Acting Public
24 Printer. The Director of the Federal Register shall act as secretary
25 of the committee. The authority of the Administrator of General
26 Services, under section 754 of title 40, to regroup, transfer, and dis-
27 tribute functions within the General Services Administration, does
28 not extend to the Committee or its functions. The committee shall
29 prescribe, with the approval of the President, regulations for carry-
30 ing out this chapter. The regulations shall provide, among other
31 things—

32 (1) the manner of certification of copies required to be certified
33 under section 1503 of this title, which certification may be per-
34 mitted to be based upon confirmed communications from outside
35 the District of Columbia;

36 (2) the documents which shall be authorized under section
37 1505(b) of this title to be published in the Federal Register;

38 (3) the manner and form in which the Federal Register shall be
39 printed, reprinted, compiled, indexed, bound, and distributed;

40 (4) the number of copies of the Federal Register, which shall

1 be printed, reprinted, and compiled, the number which shall be
2 distributed without charge to Members of Congress, officers and
3 employees of the United States, or Federal agency, for official
4 use, and the number which shall be available for distribution to
5 the public; and

6 (5) the prices to be charged for individual copies of, and sub-
7 scriptions to, the Federal Register and reprints and bound volumes
8 of it.

9 **§ 1507. Filing document as constructive notice; publication in**
10 **Federal Register as presumption of validity; judicial**
11 **notice; citation**

12 A document required by section 1505 (a) of this title to be published
13 in the Federal Register is not valid as against a person who has not
14 had actual knowledge of it until the duplicate originals or certified
15 copies of the document have been filed with the Office of the Federal
16 Register and a copy made available for public inspection as provided
17 by section 1503 of this title. Unless otherwise specifically provided by
18 statute, filing of a document, required or authorized to be published
19 by section 1505 of this title, except in cases where notice by publica-
20 tion is insufficient in law, is sufficient to give notice of the contents of
21 the document to a person subject to or affected by it. The publication
22 in the Federal Register of a document creates a rebuttable presump-
23 tion—

24 (1) that it was duly issued, prescribed, or promulgated;

25 (2) that it was filed with the Office of the Federal Register and
26 made available for public inspection at the day and hour stated
27 in the printed notation;

28 (3) that the copy contained in the Federal Register is a true
29 copy of the original; and

30 (4) that all requirements of this chapter and the regulations
31 prescribed under it relative to the document have been complied
32 with.

33 The contents of the Federal Register shall be judicially noticed and
34 without prejudice to any other mode of citation, may be cited by
35 volume and page number.

36 **§ 1508. Publication in Federal Register as notice of hearing**

37 A notice of hearing or of opportunity to be heard, required or au-
38 thorized to be given by an Act of Congress, or which may otherwise
39 properly be given, shall be deemed to have been given to all persons
40 residing within the States of the Union and the District of Columbia,

1 except in cases where notice by publication is insufficient in law, when
2 the notice is published in the Federal Register at such a time that the
3 period between the publication and the date fixed in the notice for the
4 hearing or for the termination of the opportunity to be heard is—

5 (1) not less than the time specifically prescribed for the pub-
6 lication of the notice by the appropriate Act of Congress; or

7 (2) not less than fifteen days when time for publication is not
8 specifically prescribed by the Act, without prejudice, however,
9 to the effectiveness of a notice of less than fifteen days where the
10 shorter period is reasonable.

11 **§ 1509. Cost of publication; appropriations authorized; penalty**
12 **mail privilege**

13 Payments made for the Federal Register shall be covered into the
14 Treasury as miscellaneous receipts. The cost of printing, reprinting,
15 wrapping, binding, and distributing the Federal Register and other
16 expenses incurred by the Government Printing Office in carrying out
17 the duties placed upon it by this chapter shall be borne by the appro-
18 priations to the Government Printing Office and the appropriations
19 are made available, and are authorized to be increased by additional
20 sums necessary for the purposes, the increases to be based upon esti-
21 mates submitted by the Public Printer.

22 Copies of the Federal Register mailed by the Government are en-
23 titled to the free use of the United States mails in the same manner as
24 the official mail of the executive departments of the Government. The
25 cost of mailing the Federal Register to officers and employees of
26 Federal agencies in foreign countries shall be borne by the respective
27 agencies.

28 **§ 1510. Code of Federal Regulations**

29 (a) The Administrative Committee of the Federal Register, with
30 the approval of the President, may require, from time to time as it
31 considers necessary, the preparation and publication in special or
32 supplemental editions of the Federal Register of complete codifica-
33 tions of the documents of each agency of the Government having gen-
34 eral applicability and legal effect, issued or promulgated by the agency
35 by publication in the Federal Register or by filing with the Adminis-
36 trative Committee, and are relied upon by the agency as authority for,
37 or are invoked or used by it in the discharge of, its activities or func-
38 tions, and are in effect as to facts arising on or after dates specified by
39 the Administrative Committee.

40 (b) A codification published under subsection (a) of this section

1 shall be printed and bound in permanent form and shall be designated
 2 as the "Code of Federal Regulations." The Administrative Committee
 3 shall regulate the binding of the printed codifications into separate
 4 books with a view to practical usefulness and economical manufacture.
 5 Each book shall contain an explanation of its coverage and other aids
 6 to users that the Administrative Committee may require. A general
 7 index to the entire Code of Federal Regulations shall be separately
 8 printed and bound.

9 (c) The Administrative Committee shall regulate the supplementa-
 10 tion and the collation and republication of the printed codifications
 11 with a view to keeping the Code of Federal Regulations as current as
 12 practicable. Each book shall be either supplemented or collated and
 13 republished at least once each calendar year.

14 (d) The Office of the Federal Register shall prepare and publish the
 15 codifications, supplements, collations, and indexes authorized by this
 16 section.

17 (e) The codified documents of the several agencies published in the
 18 supplemental edition of the Federal Register under this section, as
 19 amended by documents subsequently filed with the Office and published
 20 in the daily issues of the Federal Register, shall be prima facie evi-
 21 dence of the text of the documents and of the fact that they are in
 22 effect on and after the date of publication.

23 (f) The Administrative Committee shall prescribe, with the ap-
 24 proval of the President, regulations for carrying out this section.

25 (g) This section does not require codification of the text of Presi-
 26 dential documents published and periodically compiled in supplements
 27 to Title 3 of the Code of Federal Regulations.

28 **§ 1511. International agreements excluded from provisions of** 29 **chapter**

30 This chapter does not apply to treaties, conventions, protocols, and
 31 other international agreements, or proclamations thereof by the
 32 President.

9 "Government publication" as used in this chapter, means informa-
 10 tional matter which is published as an individual document at Gov-
 11 ernment expense, or as required by law.

12 **§ 1902. Availability of Government publications through Superin-** 13 **tendent of Documents; lists of publications not ordered** 14 **from Government Printing Office**

15 Government publications, except those determined by their issuing
 16 components to be required for official use only or for strictly adminis-
 17 trative or operational purposes which have no public interest or ed-
 18 ucational value and publications classified for reasons of national
 19 security, shall be made available to depository libraries through the
 20 facilities of the Superintendent of Documents for public information.
 21 Each component of the Government shall furnish the Superintendent
 22 of Documents a list of such publications it issued during the previous
 23 month, that were obtained from sources other than the Government
 24 Printing Office.

1 **§ 1903. Distribution of publications to depositories; notice to Gov-**
2 **ernment components; cost of printing and binding**

3 Upon request of the Superintendent of Documents, components of
4 the Government ordering the printing of publications shall either
5 increase or decrease the number of copies of publications furnished
6 for distribution to designated depository libraries and State libraries
7 so that the number of copies delivered to the Superintendent of
8 Documents is equal to the number of libraries on the list. The number
9 thus delivered may not be restricted by any statutory limitation in
10 force on August 9, 1962. Copies of publications furnished the Superin-
11 tendent of Documents for distribution to designated depository
12 libraries shall include—

13 the journals of the Senate and House of Representatives;
14 all publications, not confidential in character, printed upon the
15 requisition of a congressional committee;
16 Senate and House public bills and resolutions; and
17 reports on private bills, concurrent or simple resolutions;
18 but not so-called cooperative publications which must necessarily be
19 sold in order to be self-sustaining.

20 The Superintendent of Documents shall currently inform the com-
21 ponents of the Government ordering printing of publications as to
22 the number of copies of their publications required for distribution
23 to depository libraries. The cost of printing and binding those pub-
24 lications distributed to depository libraries obtained elsewhere than
25 from the Government Printing Office, shall be borne by components
26 of the Government responsible for their issuance; those requisitioned
27 from the Government Printing Office shall be charged to appropria-
28 tions provided the Superintendent of Documents for that purpose.

29 **§ 1904. Classified list of Government publications for selection by**
30 **depositories**

31 The Superintendent of Documents shall currently issue a classified
32 list of Government publications in suitable form, containing annota-
33 tions of contents and listed by item identification numbers to facilitate
34 the selection of only those publications needed by depository libraries.
35 The selected publications shall be distributed to depository libraries
36 in accordance with regulations of the Superintendent of Documents,
37 as long as they fulfill the conditions provided by law.

1 **§ 1905. Distribution to depositories; designation of additional**
2 **libraries; justification; authorization for certain desig-**
3 **nations**

4 The Government publications selected from lists prepared by the
5 Superintendent of Documents, and when requested from him, shall
6 be distributed to depository libraries specifically designated by law
7 and to libraries designated by Senators, Representatives, and the Resi-
8 dent Commissioner from Puerto Rico, by the Commissioner of the
9 District of Columbia, and by the Governors of Guam, American
10 Samoa, and the Virgin Islands, respectively. Additional libraries
11 within areas served by Representatives or the Resident Commissioner
12 from Puerto Rico may be designated by them to receive Government
13 publications to the extent that the total number of libraries designated
14 by them does not exceed two within each area. Not more than two ad-
15 ditional libraries within a State may be designated by each Senator
16 from the State. Before an additional library within a State, congres-
17 sional district or the Commonwealth of Puerto Rico is designated as
18 a depository for Government publications, the head of that library
19 shall furnish his Senator, Representative, or the Resident Com-
20 missioner from Puerto Rico, as the case may be, with justification
21 of the necessity for the additional designation. The justification, which
22 shall also include a certification as to the need for the additional de-
23 pository library designation, shall be signed by the head of every
24 existing depository library within the congressional district or the
25 Commonwealth of Puerto Rico or by the head of the library authority
26 of the State or the Commonwealth of Puerto Rico, within which the
27 additional depository library is to be located. The justification for
28 additional depository library designations shall be transmitted to the
29 Superintendent of Documents by the Senator, Representative, or the
30 Resident Commissioner from Puerto Rico, as the case may be. The
31 Commissioner of the District of Columbia may designate two deposi-
32 tory libraries in the District of Columbia, the Governor of Guam and
33 the Governor of American Samoa may each designate one depository
34 library in Guam and American Samoa, respectively, and the Gov-
35 ernor of the Virgin Islands may designate one depository library on
36 the island of Saint Thomas and one on the island of Saint Croix.

1 **§ 1906. Land-grant colleges constituted depositories**

2 Land-grant colleges are constituted depositories to receive Govern-
3 ment publications subject to the depository laws.

4 **§ 1907. Libraries of executive departments, service academies, and**
5 **independent agencies constituted depositories; certifica-**
6 **tions of need; disposal of unwanted publications**

7 The libraries of the executive departments, of the United States
8 Military Academy, of the United States Naval Academy, of the United
9 States Air Force Academy, of the United States Coast Guard Acad-
10 emy, and of the United States Merchant Marine Academy are desig-
11 nated depositories of Government publications. A depository library
12 within each independent agency may be designated upon certification
13 of need by the head of the independent agency to the Superintendent
14 of Documents. Additional depository libraries within executive de-
15 partments and independent agencies may be designated to receive
16 Government publications to the extent that the number so designated
17 does not exceed the number of major bureaus or divisions of the
18 departments and independent agencies. These designations may be
19 made only after certification by the head of each executive department
20 or independent agency to the Superintendent of Documents as to the
21 justifiable need for additional depository libraries. Depository libraries
22 within executive departments and independent agencies may dispose
23 of unwanted Government publications after first offering them to the
24 Library of Congress and the Archivist of the United States.

25 **§ 1908. American Antiquarian Society to receive certain publica-**
26 **tions**

27 One copy of the public journals of the Senate and of the House of
28 Representatives, and of the documents published under the orders of
29 the Senate and House of Representatives, respectively, shall be trans-
30 mitted to the Executive of the Commonwealth of Massachusetts for
31 the use and benefit of the American Antiquarian Society of the
32 Commonwealth.

33 **§ 1909. Requirements of depository libraries; reports on condi-**
34 **tions; investigations; termination; replacement**

35 Only a library able to provide custody and service for depository
36 materials and located in an area where it can best serve the public need,
37 and within an area not already adequately served by existing deposi-
38 tory libraries may be designated by Senators, Representatives, the
39 Resident Commissioner from Puerto Rico, the Commissioner of the

1 District of Columbia, or the Governors of Guam, American Samoa,
2 or the Virgin Islands as a depository of Government publications.
3 The designated depository libraries shall report to the Superintendent
4 of Documents at least every two years concerning their condition.

5 The Superintendent of Documents shall make firsthand investiga-
6 tion of conditions for which need is indicated and include the results
7 of investigations in his annual report. When he ascertains that the
8 number of books in a depository library is below ten thousand, other
9 than Government publications, or it has ceased to be maintained so as
10 to be accessible to the public, or that the Government publications
11 which have been furnished the library have not been properly main-
12 tained, he shall delete the library from the list of depository libraries
13 if the library fails to correct the unsatisfactory conditions within six
14 months. The Representative or the Resident Commissioner from
15 Puerto Rico in whose area the library is located or the Senator who
16 made the designation, or a successor of the Senator, and, in the case
17 of a library in the District of Columbia, the Commissioner of the Dis-
18 trict of Columbia, and, in the case of a library in Guam, American
19 Samoa, or the Virgin Islands, the Governor, shall be notified and shall
20 then be authorized to designate another library within the area served
21 by him, which shall meet the conditions herein required, but which
22 may not be in excess of the number of depository libraries authorized
23 by law within the State, district, territory, or the Commonwealth of
24 Puerto Rico, as the case may be.

25 **§ 1910. Designations of replacement depositories; limitations on**
26 **numbers; conditions**

27 The designation of a library to replace a depository library, other
28 than a depository library specifically designated by law, may be made
29 only within the limitations on total numbers specified by section 1905
30 of this title, and only when the library to be replaced ceases to exist, or
31 when the library voluntarily relinquishes its depository status, or when
32 the Superintendent of Documents determines that it no longer fulfills
33 the conditions provided by law for depository libraries.

34 **§ 1911. Free use of Government publications in depositories; dis-**
35 **posal of unwanted publications**

36 Depository libraries shall make Government publications available
37 for the free use of the general public, and may dispose of them after
38 retention for five years under section 1912 of this title, if the depository
39 library is served by a regional depository library. Depository libraries

1 not served by a regional depository library, or that are regional deposi-
2 tory libraries themselves, shall retain Government publications perma-
3 nently in either printed form or in microfacsimile form, except super-
4 seded publications or those issued later in bound form which may be
5 discarded as authorized by the Superintendent of Documents.

6 **§ 1912. Regional depositories; designation; functions; disposal of**
7 **publications**

8 Not more than two depository libraries in each State and the Com-
9 monwealth of Puerto Rico may be designated as regional depositories,
10 and shall receive from the Superintendent of Documents copies of all
11 new and revised Government publications authorized for distribu-
12 tion to depository libraries. Designation of regional depository li-
13 braries may be made by a Senator or the Resident Commissioner from
14 Puerto Rico within the areas served by them, after approval by the
15 head of the library authority of the State or the Commonwealth of
16 Puerto Rico, as the case may be, who shall first ascertain from the
17 head of the library to be so designated that the library will, in addi-
18 tion to fulfilling the requirements for depository libraries, retain at
19 least one copy of all Government publications either in printed or
20 microfacsimile form (except those authorized to be discarded by the
21 Superintendent of Documents); and within the region served will
22 provide interlibrary loan, reference service, and assistance for deposi-
23 tory libraries in the disposal of unwanted Government publications.
24 The agreement to function as a regional depository library shall be
25 transmitted to the Superintendent of Documents by the Senator or
26 the Resident Commissioner from Puerto Rico when the designation
27 is made.

28 The libraries designated as regional depositories may permit deposi-
29 tory libraries, within the areas served by them, to dispose of Govern-
30 ment publications which they have retained for five years after first
31 offering them to other depository libraries within their area, then to
32 other libraries.

33 **§ 1913. Appropriations for supplying depository libraries;**
34 **restriction**

35 Appropriations available for the Office of Superintendent of Docu-
36 ments may not be used to supply depository libraries documents,
37 books, or other printed matter not requested by them, and their re-
38 quests shall be subject to approval by the Superintendent of Docu-
39 ments.

1 **§ 1914. Implementation of depository library program by Public**
 2 **Printer**

3 The Public Printer, with the approval of the Joint Committee on
 4 Printing, as provided by section 103 of this title, may use any meas-
 5 ures he considers necessary for the economical and practical imple-
 6 mentation of this chapter.

 11 the United States to house and preserve the papers and books of a
 12 President or former President of the United States, together with
 13 other historical materials belonging to a President or former President
 14 of the United States, or related to his papers or to the events of his

20 **§ 2102. Archivist of the United States**

21 The Administrator of General Services shall appoint the Archivist
 22 of the United States.

23 **§ 2103. Acceptance of records for historical preservation**

24 When it appears to the Administrator of General Services to be in
 25 the public interest, he may—

26 (1) accept for deposit with the National Archives of the United
 27 States the records of a Federal agency or of the Congress deter-
 28 mined by the Archivist of the United States to have sufficient

1 historical or other value to warrant their continued preservation
2 by the United States Government;

3 (2) direct and effect the transfer to the National Archives of
4 the United States of records of a Federal agency that have been
5 in existence for more than fifty years and determined by the
6 Archivist of the United States to have sufficient historical or
7 other value to warrant their continued preservation by the United
8 States Government, unless the head of the agency which has
9 custody of them certifies in writing to the Administrator that
10 they must be retained in his custody for use in the conduct of the
11 regular current business of the agency;

12 (3) direct and effect, with the approval of the head of the
13 originating agency, or if the existence of the agency has been
14 terminated, then with the approval of his successor in function,
15 if any, the transfer of records deposited or approved for deposit
16 with the National Archives of the United States to public or
17 educational institutions or associations; title to the records to
18 remain vested in the United States unless otherwise authorized by
19 Congress; and

20 (4) transfer materials from private sources authorized to be
21 received by the Administrator by section 3106 of this title.

22 **§ 2104. Responsibility for custody, use, and withdrawal of records**

23 The Administrator of General Services shall be responsible for the

28 to the head of the agency from which the records were transferred
29 or to employees of that agency are applicable to the Administrator,
30 the Archivist of the United States, and to the employees of the General
31 Services Administration, respectively. When the head of an agency
32 states in writing restrictions that appear to him to be necessary or
33 desirable in the public interest on the use or examination of records
34 being considered for transfer from his custody to the Administrator,
35 the Administrator shall impose the restrictions on the records so trans-
36 ferred, and may not remove or relax the restrictions without the con-
37 currence in writing of the head of the agency from which the material
38 was transferred, or of his successor in function, if any. Statutory
39 and other restrictions referred to in this section shall remain in force
40 until the records have been in existence for fifty years unless the

1 Administrator by order determines as to specific bodies of records
2 that the restrictions shall remain in force for a longer period. Restriction
3 on the use or examination of records deposited with the National
4 Archives of the United States imposed by section 3 of the National
5 Archives Act, approved June 19, 1934, shall continue in force regardless
6 of the expiration of the tenure of office of the official who imposed
7 them but may be removed or relaxed by the Administrator with the
8 concurrence in writing of the head of the agency from which material
9 was transferred or of his successor in function, if any.

10 **§ 2105. Preservation, arrangement, duplication, exhibition of**
11 **records**

12 The Administrator of General Services shall provide for the
13 preservation, arrangement, repair and rehabilitation, duplication and
14 reproduction (including microcopy publications), description, and
15 exhibition of records or other documentary material transferred to
16 him as may be needful or appropriate, including the preparation and
17 publication of inventories, indexes, catalogs, and other finding aids
18 or guides to facilitate their use. He may also prepare guides and other

20 Historical Publications Commission, publish such historical works
21 and collections of sources as seem appropriate for printing or otherwise
22 recording at the public expense.

23 **§ 2106. Servicing records**

24 The Administrator of General Services shall provide and maintain
25 facilities he considers necessary or desirable for servicing records in
26 his custody that are not exempt from examination by statutory or other
27 restrictions.

28 **§ 2107. Material accepted for deposit**

29 When the Administrator of General Services considers it to be in
30 the public interest he may accept for deposit—

31 (1) the papers and other historical materials of a President
32 or former President of the United States, or other official or
33 former official of the Government, and other papers relating to
34 and contemporary with a President or former President of the
35 United States, subject to restrictions agreeable to the Administrator
36 as to their use; and

37 (2) documents, including motion-picture films, still pictures,
38 and sound recordings, from private sources that are appropriate
39 for preservation by the Government as evidence of its organization,
40 functions, policies, decisions, procedures, and transactions.

1 **§ 2108. Presidential archival depository**

2 (a) When the Administrator of General Services considers it to be in
3 the public interest he may accept, for and in the name of the United
4 States, land, buildings, and equipment offered as a gift to the United
5 States for the purposes of creating a Presidential archival depository,
6 and take title to the land, buildings, and equipment on behalf of the
7 United States, and maintain, operate, and protect them as a Presi-
8 dential archival depository, and as part of the national archives sys-
9 tem; and make agreements, upon terms and conditions he considers
10 proper, with a State, political subdivision, university, institution of
11 higher learning, institute, or foundation to use as a Presidential arch-
12 ival depository land, buildings, and equipment of the State, subdivi-
13 sion, university, or other organization, to be made available by it
14 without transfer of title to the United States, and maintain, operate,
15 and protect the depository as a part of the national archives system.

16 The Administrator shall submit a report in writing on a proposed
17 Presidential archival depository to the President of the Senate and
18 the Speaker of the House of Representatives, and include—

19 a description of the land, buildings, and equipment offered
20 as a gift or to be made available without transfer of title;

21 a statement of the terms of the proposed agreement, if any;

23 other historical materials proposed to be deposited in the Presi-
24 dential archival depository so to be created, and of the terms of the
25 proposed deposit;

26 a statement of the additional improvements and equipment,
27 if any, necessary to the satisfactory operation of the depository,
28 together with an estimate of the cost; and

29 an estimate of the annual cost to the United States of main-
30 taining, operating, and protecting the depository.

31 The Administrator may not take title to land, buildings, and equip-
32 ment or make an agreement, until the expiration of the first period of
33 60 calendar days of continuous session of the Congress following the
34 date on which the report is transmitted, computed as follows:

35 Continuity of session is broken only by an adjournment sine die, but
36 the days on which either House is not in session because of an adjourn-
37 ment of more than three days to a day certain are excluded.

38 (b) When the Administrator considers it to be in the public interest,
39 he may deposit in a Presidential archival depository papers, docu-

1 ments, or other historical materials accepted under section 3106 of this
2 title, or Federal records appropriate for preservation.

3 (c) When the Administrator considers it to be in the public interest,
4 he may exercise, with respect to papers, documents, or other historical
5 materials deposited under this section, or otherwise, in a Presidential
6 archival depository, all the functions and responsibilities otherwise
7 vested in him pertaining to Federal records or other documentary
8 materials in his custody or under his control. The Administrator, in
9 negotiating for the deposit of Presidential historical materials, shall
10 take steps to secure to the Government, as far as possible, the right to
11 have continuous and permanent possession of the materials. Papers,
12 documents, or other historical materials accepted and deposited under
13 section 3106 of this title and this section are subject to restrictions as to
14 their availability and use stated in writing by the donors or depositors,
15 including the restriction that they shall be kept in a Presidential
16 archival depository. The restrictions shall be respected for the period
17 stated, or until revoked or terminated by the donors or depositors or
18 by persons legally qualified to act on their behalf. Subject to the re-
19 strictions, the Administrator may dispose by sale, exchange, or other-
20 wise, of papers, documents, or other materials which the Archivist
21 determines to have no permanent value or historical interest or to be
22 surplus to the needs of a Presidential archival depository.

23 (d) When the Administrator considers it to be in the public interest,
24 he may cooperate with and assist a university, institution of higher
25 learning, institute, foundation, or other organization or qualified indi-
26 vidual to further or to conduct study or research in historical materials
27 deposited in a Presidential archival depository.

28 (e) When the Administrator considers it to be in the public interest,
29 he may charge and collect reasonable fees for the privilege of visiting
30 and viewing exhibit rooms or museum space in a Presidential archival
31 depository.

32 (f) When the Administrator considers it to be in the public interest,
33 he may provide reasonable office space in a Presidential archival de-
34 pository for the personal use of a former President of the United
35 States.

36 (g) When the Administrator considers it be in the public interest,
37 he may accept gifts or bequests of money or other property for the
38 purpose of maintaining, operating, protecting, or improving a Presi-
39 dential archival depository. The proceeds of gifts or bequests, together

1 with the proceeds from fees or from sales of historical materials, copies
2 or reproductions, catalogs, or other items, having to do with a Presi-
3 dential archival depository, shall be paid into the National Archives
4 Trust Fund to be held, administered, and expended for the benefit and
5 in the interest of the Presidential archival depository in connection
6 with which they were received, including administrative and custodial
7 expenses as the Administrator determines.

8 **§ 2109. Depository for agreements between States**

9 The Administrator of General Services may receive duplicate
10 originals or authenticated copies of agreements or compacts entered
11 into under the Constitution and laws of the United States, between
12 States of the Union, and take necessary actions for their preservation
13 and servicing.

14 **§ 2110. Preservation of motion-picture films, still pictures, and**
15 **sound recordings**

16 The Administrator of General Services may make and preserve
17 motion-picture films, still pictures, and sound recordings pertaining
18 to and illustrative of the historical development of the United States
19 Government and its activities, and provide for preparing, editing,
20 titling, scoring, processing, duplicating, reproducing, exhibiting, and

20 and schedules of records proposed for disposal,
- 21 (2) procedures for the disposal of records authorized for dis-
22 posal, and
- 23 (3) standards for the reproduction of records by photographic
24 or microphotographic processes with a view to the disposal of the
25 original records.

26 **§ 3303. Lists and schedules of records to be submitted to Admin-** 27 **istrator of General Services by head of each Govern-** 28 **ment agency**

29 The head of each agency of the United States Government shall
30 submit to the Administrator of General Services, under regulations
31 promulgated as provided by section 3302 of this title—

- 32 (1) lists of any records in the custody of the agency that have

1 been photographed or microphotographed under the regulations
2 and that, as a consequence, do not appear to have sufficient value
3 to warrant their further preservation by the Government;

4 (2) lists of other records in the custody of the agency not
5 needed by it in the transaction of its current business and that do
6 not appear to have sufficient administrative, legal, research, or
7 other value to warrant their further preservation by the Govern-
8 ment; and

9 (3) schedules proposing the disposal after the lapse of specified
10 periods of time of records of a specified form or character that
11 either have accumulated in the custody of the agency or may ac-
12 cumulate after the submission of the schedules and apparently
13 will not after the lapse of the period specified have sufficient ad-
14 ministrative, legal, research, or other value to warrant their fur-
15 ther preservation by the Government.

16 **§ 3304. Lists and schedules of records lacking preservation value;**
17 **submission to Congress by Administrator of General**
18 **Services**

19 The Administrator of General Services shall submit to Congress
20 when he considers it expedient, the lists or schedules submitted to
21 him under section 3303 of this title, or parts of those lists or schedules,
22 and lists or schedules of records in his legal custody, when it appears
23 to him that the records listed in the lists or schedules do not, or will
24 not after the lapse of the period specified, have sufficient administrative
25 legal, research, or other value to warrant their continued preservation
26 by the United States Government. The Administrator may not submit
27 to Congress lists or schedules of records of any existing agency of the
28 Government in his legal custody without first having obtained the
29 written consent of the head of the agency.

30 The Administrator may also submit to Congress, when he considers
31 it expedient, schedules proposing the disposal, after the lapse of speci-
32 fied periods of time, of records of a specified form or character common
33 to several or all agencies that either have accumulated or may accumu-
34 late in these agencies and that apparently will not, after the lapse of
35 the periods specified, have sufficient administrative legal, research, or
36 other value to warrant their further preservation by the United States
37 Government.

38 **§ 3305. Examination of lists and schedules by joint congressional**
39 **committee and report to Congress**

40 When the Administrator of General Services submits lists or sched-
41 ules to Congress, the presiding officer of the Senate shall appoint two

1 Senators who, with the members of the subcommittee on the Disposition of Executive Papers of the House of Representatives Committee
2 on House Administration, shall constitute a joint committee to which
3 lists or schedules shall be referred, and the joint committee shall
4 examine them and submit to the Senate and House of Representatives,
5 respectively, a report of its examination and its recommendations.

6 **§ 3306. Disposal of records by head of Government agency upon**
7 **notification by Administrator of General Services of**
8 **action by joint congressional committee**

9
10 If the joint congressional committee reports that any of the records
11 listed in a list or schedule referred to it do not, or will not after the
12 lapse of the period specified, have sufficient administrative, legal,
13 research, or other value to warrant their continued preservation by
14 the Government, the Administrator of General Services shall notify
15 the agency having the records in its custody of the action of the joint
16 committee, and the agency shall cause the records to be disposed of
17 in accordance with regulations promulgated under section 3302 of
18 this title. Authorizations granted under schedules submitted under
19 the last paragraph of section 3304 of this title shall be permissive and
20 not mandatory.

21 **§ 3307. Disposal of records upon failure of joint congressional**
22 **committee to act**

23 If the joint congressional committee does not report during a regular or special session of Congress on a list or schedule submitted to
24 Congress by the Administrator of General Services at least ten days
25 before adjournment of the session, the Administrator may empower
26 an agency having in its custody records covered by the lists or schedules to dispose of them in accordance with regulations under section 3302 of this title.

27 **§ 3308. Disposal of similar records where prior disposal was**
28 **authorized**

29
30 When it appears to the Administrator of General Services that an
31 agency has in its custody, or is accumulating, records of the same form
32 or character as those of the same agency previously authorized by
33 Congress to be disposed of, he may empower the head of the agency
34 to dispose of the records, after they have been in existence a specified
35 period of time, in accordance with regulations promulgated under
36 section 3302 of this title and without listing or scheduling them.
37
38

1 **§ 3309. Preservation of claims of Government until settled in**
2 **General Accounting Office; disposal authorized upon**
3 **written approval of Comptroller General**

4 Records pertaining to claims and demands by or against the Gov-
5 ernment of the United States or to accounts in which the Government
6 of the United States is concerned, either as debtor or creditor, may not
7 be disposed of by the head of an agency under authorization granted
8 under sections 3306-3308 of this title, until the claims, demands, and
9 accounts have been settled and adjusted in the General Accounting
10 Office, except upon the written approval of the Comptroller General
11 of the United States.

12 **§ 3310. Disposal of records constituting menace to health, life, or**
13 **property**

14 When the Administrator of General Services and the head of the
15 agency that has custody of them jointly determine that records in the
16 custody of an agency of the United States Government are a con-
17 tinuing menace to human health or life or to property, the Admin-
18 istrator shall eliminate the menace immediately by any method he
19 considers necessary. When records in the custody of the Adminis-
20 trator are disposed of under this section, the Administrator shall re-
21 port their disposal to the agency from which they were transferred.

22 **§ 3311. Destruction of records outside continental United States**
23 **in time of war or when hostile action seems imminent;**
24 **written report to Administrator of General Services**

25 During a state of war between the United States and another
26 nation, or when hostile action by a foreign power appears imminent,
27 the head of an agency of the United States Government may authorize
28 the destruction of records in his legal custody situated in a military
29 or naval establishment, ship, or other depository outside the territorial
30 limits of continental United States—

31 (1) the retention of which would be prejudicial to the interests
32 of the United States or

33 (2) which occupy space urgently needed for military purposes
34 and are, in his opinion, without sufficient administrative, legal,
35 research, or other value to warrant their continued preservation.

36 Within six months after their disposal, the official who directed the
37 disposal shall submit a written report to the Administrator of Gen-

1 eral Services in which he shall describe the character of the records
2 and state when and where he disposed of them.

3 **§ 3312. Photographs or microphotographs of records considered**
4 **as originals; certified reproductions admissible in evi-**
5 **dence**

6 Photographs or microphotographs of records made in compliance
7 with regulations under section 3302 of this title shall have the same
8 effect as the originals and shall be treated as originals for the purpose
9 of their admissibility in evidence. Certified or authenticated repro-
10 ductions of the photographs or microphotographs shall be admitted
11 in evidence equally with the original photographs or microphoto-
12 graphs.

13 **§ 3313. Moneys from sale of records payable into the Treasury**

14 Moneys derived by agencies of the Government from the sale of
15 records disposed of under this chapter shall be paid into the Treasury
16 of the United States unless otherwise required by law.

17 **§ 3314. Procedures for disposal of records exclusive**

18 The procedures prescribed by this chapter are exclusive, and records
19 of the United States Government may not be alienated or destroyed
20 except under this chapter.

3510. Rules and regulations.

3511. Penalty for failure to furnish information.

23 **§ 3501. Information for Federal agencies**

24 Information needed by Federal agencies shall be obtained with a
25 minimum burden upon business enterprises, especially small business
26 enterprises, and other persons required to furnish the information, and
27 at a minimum cost to the Government. Unnecessary duplication of
28 efforts in obtaining information through the use of reports, question-
29 naires, and other methods shall be eliminated as rapidly as practicable.
30 Information collected and tabulated by a Federal agency shall, as far

1 as is expedient, be tabulated in a manner to maximize the usefulness of
2 the information to other Federal agencies and the public.

3 **§ 3502. Definitions**

4 As used in this chapter—

5 “Federal agency” means an executive department, commission,
6 independent establishment, corporation owned or controlled by
7 the United States, board, bureau, division, service, office, author-
8 ity, or administration in the executive branch of the Government;
9 but does not include the General Accounting Office nor the gov-
10 ernments of the District of Columbia and of the territories and
11 possessions of the United States, and their various subdivisions;

12 “person” means an individual, partnership, association, cor-
13 poration, business trust, or legal representative, an organized
14 group of persons, a State or territorial government or branch, or
15 a political subdivision of a State or territory or a branch of a
16 political subdivision;

17 “information” means facts obtained or solicited by the use of
18 written report forms, application forms, schedules, questionnaires,
19 or other similar methods calling either for answers to identical
20 questions from ten or more persons other than agencies, instru-
21 mentalities, or employees of the United States or for answers to
22 questions from agencies, instrumentalities, or employees of the
23 United States which are to be used for statistical compilations of
24 general public interest.

25 **§ 3503. Duties of Director of the Bureau of the Budget**

26 With a view to carrying out the policy of this chapter, the Director
27 of the Bureau of the Budget from time to time shall—

28 (1) investigate the needs of the various Federal agencies for
29 information from business enterprises, from other persons, and
30 from other Federal agencies;

31 (2) investigate the methods used by agencies in obtaining in-
32 formation; and

33 (3) coordinate as rapidly as possible the information-collecting
34 services of all agencies with a view to reducing the cost to the
35 Government of obtaining information and minimizing the burden
36 upon business enterprises and other persons, and using, as far
37 as practicable, for continuing organization, files of information
38 and existing facilities of the established Federal agencies.

1 **§ 3504. Designation of central collection agency**

2 When, after investigation, the Director of the Bureau of the Budget
3 is of the opinion that the needs of two or more Federal agencies for
4 information from business enterprises and other persons will be ade-
5 quately served by a single collecting agency, he shall fix a time and
6 place for a hearing at which the agencies concerned and other inter-
7 ested persons may have an opportunity to present their views. After
8 the hearing, the Director may issue an order designating a collecting
9 agency to obtain information for two or more of the agencies con-
10 cerned, and prescribing (with reference to the collection of informa-
11 tion) the duties and functions of the collecting agency so designated
12 and the Federal agencies for which it is to act as agent. The Director
13 may modify the order from time to time as circumstances require,
14 but modification may not be made except after investigation and
15 hearing.

16 **§ 3505. Independent collection by an agency prohibited**

17 While an order or modified order is in effect, a Federal agency cov-
18 ered by it may not obtain for itself information which it is the duty
19 of the collecting agency designated by the order to obtain.

20 **§ 3506. Determination of necessity for information; hearing**

21 Upon the request of a party having a substantial interest, or upon
22 his own motion, the Director of the Bureau of the Budget may deter-
23 mine whether or not the collection of information by a Federal agency
24 is necessary for the proper performance of the functions of the agency
25 or for any other proper purpose. Before making a determination, he
26 may give the agency and other interested persons an opportunity to
27 be heard or to submit statements in writing. To the extent, if any,
28 that the Director determines the collection of information by the
29 agency is unnecessary, for any reason, the agency may not engage in
30 the collection of the information.

31 **§ 3507. Cooperation of agencies in making information available**

32 For the purposes of this chapter, the Director of the Bureau of the
33 Budget may require a Federal agency to make available to another
34 Federal agency information obtained from any person after Decem-
35 ber 24, 1942, and all agencies are directed to cooperate to the fullest
36 practicable extent at all times in making information available to other
37 agencies.

38 This chapter does not apply to the obtaining or releasing of infor-
39 mation by the Internal Revenue Service, the Comptroller of the Cur-
40 rency, the Bureau of the Public Debt, the Bureau of Accounts, and
41 the Division of Foreign Funds Control of the Treasury Department,

1 nor to the obtaining by a Federal bank supervisory agency of reports
2 and information from banks as authorized by law and in the proper
3 performance of the agency's functions in its supervisory capacity.

4 **§ 3508. Unlawful disclosure of information; penalties; release of**
5 **information to other agencies**

6 (a) If information obtained in confidence by a Federal agency is
7 released by that agency to another Federal agency, all the provisions
8 of law including penalties which relate to the unlawful disclosure
9 of information apply to the officers and employees of the agency to
10 which information is released to the same extent and in the same man-
11 ner as the provisions apply to the officers and employees of the agency
12 which originally obtained the information. The officers and employees
13 of the agency to which the information is released, in addition, shall
14 be subject to the same provisions of law, including penalties, relating
15 to the unlawful disclosure of information as if the information had
16 been collected directly by that agency.

17 (b) Information obtained by a Federal agency from a person under
18 this chapter may be released to another Federal agency only—

- 19 (1) in the form of statistical totals or summaries; or
20 (2) if the information as supplied by persons to a Federal
21 agency had not, at the time of collection, been declared by that
22 agency or by a superior authority to be confidential; or
23 (3) when the persons supplying the information consent to the
24 release of it to a second agency by the agency to which the in-
25 formation was originally supplied; or
26 (4) when the Federal agency to which another Federal agency
27 releases the information has authority to collect the information
28 itself and the authority is supported by legal provision for crim-
29 inal penalties against persons failing to supply the information.

30 **§ 3509. Plans or forms for collecting information; submission to**
31 **Director; approval**

32 A Federal agency may not conduct or sponsor the collection of in-
33 formation upon identical items, from ten or more persons, other than
34 Federal employees, unless, in advance of adoption or revision of any
35 plans or forms to be used in the collection—

- 36 (1) the agency has submitted to the Director the plans or forms,
37 together with copies of pertinent regulations and of other related
38 materials as the Director of the Bureau of the Budget has speci-
39 fied; and
40 (2) the Director has stated that he does not disapprove the
41 proposed collection of information.

1 **§ 3510. Rules and regulations**

2 The Director of the Bureau of the Budget may promulgate rules
3 and regulations necessary to carry out sections 3501-3511 of this title.

4 **§ 3511. Penalty for failure to furnish information**

5 A person failing to furnish information required by an agency
6 shall be subject to penalties specifically prescribed by law, and no
7 other penalty may be imposed either by way of fine or imprisonment
8 or by the withdrawal or denial of a right, privilege, priority, allot-
9 ment, or immunity, except when the right, privilege, priority, allot-
10 ment, or immunity is legally conditioned on facts which would be
11 revealed by the information requested.

3701. Advertisements for contracts in District of Columbia.

3702. Advertisements not to be published without written authority.

3703. Rate of payment for advertisements, notices, and proposals.

14 **§ 3701. Advertisements for contracts in District of Columbia**

15 Advertisements for contracts for the public service may not be pub-
16 lished in any newspaper published and printed in the District of
17 Columbia unless the supplies or labor covered by the advertisement
18 are to be furnished or performed in the District of Columbia or in
19 the adjoining counties of Maryland or Virginia.

20 **§ 3702. Advertisements not to be published without written au-**
21 **thority**

22 Advertisements, notices, or proposals for an executive department
23 of the Government, or for a bureau or office connected with it, may
24 not be published in a newspaper except under written authority from
25 the head of the department; and a bill for advertising or publication
26 may not be paid unless there is presented with the bill a copy of the
27 written authority.

28 **§ 3703. Rate of payment for advertisements, notices, and pro-**
29 **posals**

30 Advertisements, notices, proposals for contracts, and all forms of
31 advertising required by law for the several departments of the Gov-
32 ernment may be paid for at a price not to exceed the commercial rates
33 charged to private individuals, with the usual discounts. But the heads
34 of the several departments may secure lower terms at special rates
35 when the public interest requires it. The rates shall include the furnish-
36 ing of lawful evidence, under oath, of publication, to be made and
37 furnished by the printer or publisher making publication.

1 **Sec. 2. (a)** The legislative purpose in enacting section 1 of this Act
 2 is to restate, without substantive change, the laws replaced by those
 3 sections on the effective date of this Act. Laws effective after January
 4 14, 1968, that are inconsistent with this Act are considered as super-
 5 seding it to the extent of the inconsistency.

6 **(b)** A reference to a law replaced by section 1 of this Act, including a
 7 reference in a regulation, order, or other law, is deemed to refer to the
 8 corresponding provision enacted by this Act.

9 **(c)** An order, rule, or regulation in effect under a law replaced by
 10 section 1 of this Act shall continue in effect under the corresponding
 11 provision enacted by this Act until repealed, amended, or superseded.

12 **(d)** An action taken or an offense committed under a law replaced
 13 by section 1 of this Act is deemed to have been taken or committed
 14 under the corresponding provision enacted by this Act.

15 **(e)** An inference of a legislative construction is not to be drawn by
 16 reason of the location in the United States Code of a provision enacted
 17 by this Act or by reason of its caption or catchline.

18 **(f)** If a provision enacted by this Act is held invalid, all valid
 19 provisions that are severable from the invalid provision remain in
 20 effect. If a provision of this Act is held invalid in one or more of its
 21 applications, the provision remains in effect in all valid applications
 22 that are severable from the invalid application or applications.

23 **Sec. 3.** The laws specified in the following schedule are repealed
 24 except with respect to rights and duties that matured, penalties that
 25 were incurred, and proceedings that were begun, before the effective
 26 date of this Act and except as provided by section 2 of this Act:
